Currently, there is no tuition for the program. The student, however, will be responsible for purchase of the required text book, which is listed in the program brochure.

Course Completion and Transcripts

Certificates of completion and transcripts will not be issued unless the student has met all academic requirements (refer to program manual for specific requirements) and financial obligation stated above. If a student is working during the program, they will not be allowed to work more than 12 hours contiguously (combining both program and work).

I hereby give consent to the Program to verify references. Also, I certify that the information contained in the application and all submitted documents are correct and complete and that I have not withheld any information that would negatively impact my application. If this statement is untrue, I understand that I may be subject to immediate disqualification or dismissal from this program. Completion of this program does not guarantee employment at NYULMC. I understand that an offer for employment is contingent upon pasting the PTCP within (add time here) of completing the program.
